SUMMARY

Dedicated **Laravel Developer** with over **2 years and 6 months** of experience, including **3 months as an intern, 1 year and 3 months as a junior**, and **currently working as a mid-level developer**. Specializing in building robust web applications and RESTful APIs using **Laravel, Vue.js**, and **MySQL**. Skilled in writing clean, scalable code and optimizing backend performance. Experienced with Laravel features like Eloquent ORM, Queues, Job Scheduling, and API integrations (e.g., Google Drive, Payment Gateways). Strong team player with a commitment to clean architecture, security best practices, and Agile workflows.

EXPERIENCE

Mid-Level Backend Developer

The Tork

05/2024 - Present Cuet Campus ,Raozan,Chittagong

An 9-year-old IT firm specializing in custom software, web applications, and enterprise solutions.

- Led the backend development of a **large-scale eCommerce platform**, managing everything from user authentication to product listings, cart, checkout, and order lifecycle.
- Integrated **payment gateways, SMS services**, and **email notifications** using event-driven logic.
- Managed a cross-functional team of 15 professionals across diverse areas for effective project execution.
- Built a vendor dashboard with role-based access.
- Collaborated closely with frontend developers using Vue.js.

Junior Backend Developer

Good Deal LTD

02/2024 - 04/2024 Narayongonj, Dhaka

A software and marketing agency building scalable apps and providing digital branding services.

- Led development of an internal **Inventory Management System** for tracking hardware/software stock across departments.
- Developed an **Online Earning App** that included task-based income generation, referral tracking, and user dashboards.
- Built admin panel features, managed complex Eloquent relationships, and ensured security best practices (CSRF, input validation, etc).
- Applied Laravel's MVC architecture, created custom validation rules, and deployed using cPanel.

EDUCATION

Diploma in Computer Science and Technology

Compact Polytechnic Institute

08/2019 - 09/2023 Ziya Academy,Feni,Bangladesh
